Comment/评语:

蒋楚娴同学在由联合国训练研究所湖北国际培训中心与武汉未来实验外国语学校共同开展的中国文化与世界可持续性发展课程，即“春雨”课程的学习中，不仅对中国传统文化有了更深的认识，也学习到了联合国可持续性发展中关于水资源重要性的相关知识。同时，该同学在课程学习过程中展现了出众的自主学习、勇于探究和团队合作能力，并体现了积极向上的学习态度和正确的价值观。特给予表彰和鼓励，并颁发证书。

In the course of "spring rain", a Chinese culture and Sustainable Development course jointly organised by the United Nations Institute for Training and Research CIFAL Hubei International Training Center and Wuhan Future Experimental Foreign Languages School, **Miss. JIAGN Chuxian** not only had a deeper understanding of Chinese traditional culture, but also learned about the importance of water resources. At the same time, the student showed outstanding abilities of independent learning, bold exploration and team cooperation in the course learning process, and reflected a positive learning attitude and correct values. We hereby issue this certificate.

Evaluation Result/评估结果:

Evaluation Form :

Dear **Miss. JIANG Chuxian**

Miss. JIANG Chuxian stood out by asking especially eloquent and knowledgeable questions. She underlined her remarkable knowledge during her active participation in lectures, workshops and laboratory experiments. We saw her great passion for building a sustainable world through her action. It is our honour to share her ideas and initiatives with all the children around the world. We are also pleased to award **Miss. JIANG Chuxian** the certificate on completion of the Spring Rain project.

Xiangchuan JIANG

Executive Director

United Nations Institute for Training and Research
